Watch what you do, what you do, what you say
I'm packing my bags and I'm goin' away
Wasting my time, I'm losing my mind
I'm gonna leave, better get away fast
What do I need with a girl that can't last
Wasting my time, I'm losing my mind

How can I go on this way
Ev'rything you say is bringin' me down
Girl of independent means
Nose up in the air
You know what I mean

So watch what you do, what you do, what you say
I'm packing my bags and I'm goin' away
Wasting my time, you know I'm losing my mind

How can I go on this way
Ev'rything you say is bringin' me down
Girl of independent means
Nose up in the air
You know what I mean

Girl of independent means
You know what I mean
Girl of independent means
You know what I mean ..
