Well, I'm across town and I can't be late  
I know Becky's off work at quarter to 8  
When I get there, I know I'm in love  
But this thing on her hand stands between us

Well, I go to the bar and I don't care  
If we can't get together, man  
I'm happy to stare when I'm in there  
Everyday, I try to pick her up but I know what she'd say

'I'd go out, if it wasn't for him'  
Well, I'd go out of town with you  
if it wasn't for him  
All I ever wanted was to be with her  
But the only thing between us was on Becky's Hand  
Becky's Hand  
Becky's Hand

She says darling, call me up a night  
Try to keep your attention  
Pick a fight  
If I show up at your back door  
Means I'm lonely and I'm hungry  
Waiting for you

Well, 'I'd go out, if it wasn't for him'  
Well, I'd go out of town with you  
if it wasn't for him  
All I ever wanted was to be with her

But the only thing between us was on Becky's Hand  
Becky's Hand  
Becky's Hand

Well, I saw her with a ring on her hand  
Why she loves him I don't understand  
Becky, I know it ain't your fault  
He's a good man  
Well better then some men, at all

'I'd go out, if it wasn't for him'  
Well, I'd go out of town with you

If it wasn't for him  
All I ever wanted was to be with her  
But the only thing between us was on  
Becky's Hand(x3)  
On Becky's Hand  
Becky's Hand(x2)  
Yes, on Becky's Hand  
Yeah, Becky's Hand  
Becky's Hand(x3)
