I want a ticket  
Out of boredom  
(Now was)  
Something to do  
With your hands and mouth

You made  
A fair hand at catch  
You raised the house  
When you struck the match

You fooled us all  
In hearts & heads  
You fooled us all  
It starts in bed

In too long  
Out with the young  
Now, forgiven  
Just like a  
(Dull)

You fooled us all  
In hearts & heads  
You fooled us all  
It starts in bed

(Words said)  
I long forgot them  
(You)  
Have your hold over my head

I want a ticket  
Out of boredom  
(Now was)  
Something to do  
With your hands and mouth

Loose ends  
But never tied  
It's not like  
I never tried

You fooled us all  
In hearts & heads  
You fooled us all  
It starts in bed

You fooled us all  
In hearts & heads  
You fooled us all  
It starts in bed
