You bought a bridge last nite
Now you watching it burn
How could you see the lite
If your back was turned
Well, sticking pins in dolls
And [their] thinking bout you
If the [concord's] in the air
It's probably got a pretty good view
Bottom feeders, nose bleeders
The [van] is at the gates
They want a piece of you
But they're gonna have to wait
Stickng pins in dolls
And their thinking but you
If the concord's in the air
It's probably got a pretty good view
Come out of the dim
Come into the lite
Come out [here you'll see]
Come out the nite
They say you're clever
And they'll say you're cute
Little emperor in a birthday suit
You call the shots
The bomb, the dagger, and the firing swat
Lining up to shoot
You're lying [there shaken]
When all your things were taken
And inside your [shop]
You believe
A beautiful [revere], she has a radio antenna
She's sending signals but you can't receive
Sticking pins in dolls
And their thinking 'bout you
If the concord's in the air
It's probably got a pretty good view
Come out of the dim
Come into the lite
Come out here you'll see
Come out of the nite
Come out of the nite
