Come hell  
Or hot water  
You're going down  
And easy, lies the head  
That wears the crown  
You forgot your [peas and cubes]  
Because you paid your dues  
Doesn't make it alright  
And there's a bug at your window  
That will not leave you alone  
Tonight  
And heaven looks after  
Fools and thieves  
Heaven looks after  
Fools and thieves  
Heaven looks after  
Fools and thieves  
Easy as the egg strikes the stone  
It's the one that finds the bone  
You too shall pass  
And easy lies the head  
That wears the crown  
And heaven looks after  
Fools and thieves  
Heaven looks after  
Fools and thieves  
Heaven looks after  
Fools and thieves  
Head's a penny  
Are a broken mirror  
You can have them all  
We don't need them here  
We worship the ground, you trip on  
Wanna stay but you've got to get out  
Feeling sure but you have your doubts  
And easy lies the head  
That wears the crown  
And heaven looks after  
Fools and thieves  
Heaven looks after  
Fools and thieves  
Heaven looks after
