The two of us are one of a kind
A combination ain't easy to find
Why do I get a feeling from you
Things ain't right, do you need something new?

Knowing how both of us live
Leaves us so little to give

If I could grow wings
I would do anything
Just to keep you with me
Can't you see?

If I could fly high
I would give you the sky
Don't you make that mistake
What does it take?

It's not like I've been mean to you
It's not like I've got something better to do
The life I live you'll never understand
If you fly with me we'd never have to land

It's easy to live hard and fast
But inside we know it won't last

Oh yeah, if I could grow wings
I would do anything
Just to keep you with me
Can't you see?

If I could fly high
I would give you the sky
Don't you make that mistake
It's love that I need
What does it take?

Knowing how both of us live
Leaves us so little to give

Yeah, if I could grow wings

I would do anything
Just to keep you with me
Can't you see?

If I could fly high
I would give you the sky
Don't you make that mistake
What does it take?

If I could grow wings
I would do anything
Just to keep you with me
Can't you see?

If I could fly high
I would give you the sky
Don't you make that mistake
What does it take?

What does it take?
What does it take?
What does it take?
What does it take?
