Who's hot?
We hot (we hot)
You hot?
I'm hot
People at the party say they're feelin' hot (we hot)
Ignorants they hot
Who's hot?
We hot (we hot)
You hot?
I'm hot
People at the party say they're feelin' hot (we hot)
Ignorants they hot

I know that you wanna get next to me
I can tell by the way that you're lookin' at me
I can see that your eyes are undressin' me
Wanna ah have sex with me
You don't know what you do to me
I'm not like this usually
Slow down if you're confusing me
Baby, you can do me tonight

Summertime in the streets
You and me chillin' in the back seat
I know that you really wanna get with me
Maybe we can do it tonight
Cos it's summertime

And now that I'm lying here next to you
You can do all the things we wanna do
I'd be lying if I said I didn't want you to
Get close to me
I'm not like this usually
It ain't how it's supposed to be
You don't know what you do to me
Baby, we can do it tonight

Summertime in the streets
You and me chillin' in the back seat
I know that you really wanna get with me
Maybe we can do it tonight

Cos it's summertime

Summertime in the streets
You and me chillin' in the back seat
I know that you really wanna get with me
Maybe we can do it tonight
Cos it's summertime

Baby, tonight will be the night
No need to rush just take your time
If you let me I'll get ya high
Cos it's summertime (summertime)
Woah, wooah, wooouuh, wooah

It was 98 degrees in the shade
Top down , loud sound
And I just got paid
Push the EQ on a track I just laid
Mad a shit job like a damn cascade
Then I saw a honey who was top of the grade
I started loosing it, didn't know how to behave
I was lookin' in my rear-view, checking my fade
Can I get near you, and check what she said

I don't need a man with much money
Or the type that treats me real funny
Only dance with me when it's sunny
If you could be mine then I will be your honeyz
Alright girl I'm listening
I know you're burnin' up I got air conditionin'
Is that what you say to all the women then?
Ignorants done did it again
Now c'mon

Summertime in the streets
You and me chillin' in the back seat
I know that you really wanna get with me
Maybe we can do it tonight
Cos it's summertime

Summertime in the streets
You and me chillin' in the back seat
I know that you really wanna get with me
Maybe we can do it tonight
Cos it's summertime

Who's hot?
We hot (we hot)
You hot?
I'm hot
People at the party say they're feelin' hot (we hot)

Ignorants, they hot
Who's hot?
We hot (we hot)
You hot?
I'm hot
People at the party say they're feelin' hot (we hot)
Ignorants, they hot

People at the party say they're feelin' hot (we hot)
Ignorants they hot

(we hot
