Hot summer night  
Storm clouds in the air  
My eyes are a little heavy  
I'm feeling in the past tense, I'm hardly aware

I don't want you on the phone  
Don't you play good girl with me  
Why must I always say it again?

I got a new girl now  
I got a new girl now  
I got a new girl now  
And she's a lot like you

Tried to wash my face  
But my head fell too low  
I tried to bury myself  
But my mind wouldn't stay at home

I don't care if you're sitting at home  
Somebody has broken into me  
Why must I always say it again?

I got a new girl now  
I got a new girl now  
I got a new girl now  
And she's a lot like you

I don't want you on the phone  
Don't you play good girl with me  
Why must I always say it again?

I got a new girl now  
I got a new girl now  
I got a new girl now  
And she's a lot like you

I got a new girl now  
I got a new girl now  
I got a new girl now  
And she's a lot like you, lot like you  
Just like you
