Hi, this is the Honeyz hot line
We're not here right now
"Naima concentrate"
(Sorry)
Hi, this is the Honeyz hot line
We're not here right now
Please leave your name and number after the tone

Lately I've been tryin' to find the reasons for my
troubled mind
Can't find no time for myself, oh yeah
Every time I see your brown eyes I fantasize 'bout the
ways
Those eyes are undressin' me

So come on and do me baby
You know you drive me crazy
(Drive me crazy)
When were all alone
(Crazy)

Oh ooh, freak me, baby
(I know you wanna freak me)
You know that you can take me anyway you want

Now you've got me thinkin' 'bout all the times I went
without
I cried my tears all alone, I pray that you would take my
hand
Lead me to your wonderland
Please make my dreams all come true

So come and do me baby
(Come on and do me, do me)
You know you drive me crazy
(Drive me crazy)
When were all alone
(Crazy)

Oh ooh, freak me, baby
(I know you wanna freak me)
You know that you can take me anyway you want

(Can take me)

Do me baby

(Come on and show me, show me)

You know you drive me crazy

(Drive me crazy)

When were all alone

(Crazy)

Oh ooh, freak me, baby

(I know you wanna freak me)

You know that you can take me anyway you want

(Just take me)

You can do me

(Anyway, anyway)

You can freak me

(Anyway, anyway)

You can do me

(Anyway, anyway)

You can freak me

(Oh, oh)

You can do me

(Anyway, anyway)

(Come on and show me, show me, show me)

You can freak me

(Anyway, anyway)

You can do me

(Anyway, anyway)

(Come on and show me, just show me)

You can freak me

(Oh, oh)

Do me baby

(Come on and show me, show me)

You know you drive me crazy

(Drive me crazy)

When were all alone

(Crazy)

Oh ooh, freak me, baby

(I know you wanna freak me)

You know that you can take me anyway you want

(Take me)

Do me baby

(Come on and do me, just do me)

You know you drive me crazy

(Drive me crazy)

When were all alone
(Crazy)

Oh ooh, freak me, baby
(Come on and freak me, just freak me)
You know that you can take me anyway you want
(You can take me, take me)

Do me baby
(Oh, yeah)
You know you drive me crazy
(You drive me crazy)
When were all alone

Oh ooh, freak me, baby
(I know you wanna freak me)
You know that you can take me anyway you want
(You can take me, take me)
