

## Honeyz "Good Love"

Visit "[Good Love](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Hey good love, oh, oh, oh yeah  
(Good, good lovin' baby)  
Good love, oh, oh, oh yeah  
You can have  
(You can have you can have)  
Good Love  
(Oh yeah)  
Oh, oh, oh yeah

Say you wanna find a real good woman  
Somebody who won't break your heart  
Just take a look at what's in front of you  
Baby that's a real good place to start  
Oh, good love

Good love, it's so hard to find  
(Oh, oh, oh yeah)  
Good love, won't you give it a try  
(Oh, oh, oh, yeah)  
You can have this heart of mine  
(Oh, oh, oh, yeah)  
Good love, better open your eyes  
(Oh, oh, oh, yeah)

Want a little huggin' and a little tender kissin'  
Somebody who'll spend some party time  
Boy, you better grab what you've been missin'  
'Cos baby when it comes to mine, I know it's good love

Good love, it's so hard to find  
(Oh, oh, oh yeah)  
Good love, won't you give it a try  
(Oh, oh, oh, yeah)  
You can have this heart of mine  
(Oh, oh, oh, yeah)  
Good love, better open your eyes  
(Oh, oh, oh, yeah)

I got

I got good love  
(Got good lovin', baby)

You need good love  
(Need good lovin', baby)

I got good love  
(I got good lovin', baby)  
Come get my love  
(Get my lovin', baby)

Good love, it's so hard to find  
(Oh, oh, oh yeah)  
Good love, won't you give it a try  
(Oh, oh, oh, yeah)  
You can have this heart of mine  
(Oh, oh, oh, yeah)  
Good love, better open your eyes  
(Oh, oh, oh, yeah)

Somebody said Casanova get your leg over  
Sowin' bad seeds with deeds  
I give you what we need strong lovin'  
G E N T L E ease  
Touches

With the kisses  
Bed time wishes  
Sex on the phone  
Kissin' in the dome

98 style  
Feel me if you wanna  
Love how you wanna  
Good lovin'

Good love  
(Oh, oh, oh, yeah)  
I want your lovin', baby  
Good lovin', good lovin', good, good lovin'  
I need your lovin', baby

You can have  
(You can have, you can have, oh, oh, oh, yeah)  
Good lovin', good lovin', good, good lovin'  
(Oh, oh, oh, yeah)  
Good lovin', good lovin', good, good lovin'
