Oh, oh, oh, oh

Don't keep me waiting, no, no, no  
We've got a good thing going on  
Better make your mind up if you're serious  
Boy, there's just no way of knowing  
You're coming and you're going  
Not holding up for you forever

Baby, don't you keep me hanging on  
Don't you know I've waited far too long  
(Boy, I've waited far too long)  
Baby, I'll give you all you need  
(Now I'll give you all you need)  
Don't keep me waiting too long, too long

There can be no more fooling around  
So just quit playing those games and realize, oh  
You say they don't compare to me  
'Cause it's me you only see  
Straighten up your ways  
And let your heart be true, yeah

Baby, don't you keep me hanging on  
(Don't you keep me hanging on, no, baby)  
Don't you know I've waited far too long  
(Boy, I've waited far too long)  
Baby, I'll give you all you need  
(I will give you all you need)  
Don't keep me waiting too long, too long

Baby, don't you keep me hanging on  
(Don't you keep me hanging on, no, baby)  
Don't you know I've waited far too long  
( 'Cause I've waited far too long, no, baby)  
Baby, I'll give you all you need  
(I will give you all you need)  
Don't keep me waiting too long, too long

We've got a good thing going  
(Oh, yeah)  
Nothing to stop us flowing

(Stop us flowing, baby)  
Baby, don't keep me waiting  
For much too long

Tell me how good it's feeling?  
(How good it's feeling, baby?)  
Oh boy, I need your loving  
(I need your loving)  
Baby, my head is spinning  
(Spinning)  
Keep me waiting, baby, oh, no

Baby, don't you keep me hanging on  
(Don't you keep me hanging on, no, baby)  
Don't you know I've waited far too long  
(Boy, I've waited far too long)  
Baby, I'll give you all you need  
(I will give you all you need)  
Don't keep me waiting too long, too long

Baby, don't you keep me hanging on  
(Don't you keep me hanging on, no, baby)  
Don't you know I've waited far too long  
(Boy, I've waited far too long)  
Baby, I'll give you all you need  
(I'll give you all you need)  
Don't keep me waiting too long, too long

Baby, don't you keep me hanging on  
(Don't you keep me hanging on)  
Don't you know I've waited far too long  
(Boy, I've waited, I've waited)  
Baby, I'll give you all you need  
Don't keep me waiting too long, too long
