I never thought that love could be unkind
'Cos your the type of guy I thought I'd never find
I thought I could forget you and be strong
But the love I have inside makes me hold on

And now I am beside myself
I think of you and no one else
You held me tight, I felt so safe
And now I know I've been replaced

What does she look like?
Why was she so right?
That you gave your love to her
Baby, didn't I deserve
To hold you
Baby, to show you
That the love I have inside to give
Was enough for us to leave

You'll never know the hurt you put me through
Cos you're loving her while I was loving you
You took my heart and ripped it into shreds
And now your heart is with that girl in your bed

I know I'm just a memory
But I will love you endlessly
You cherished me
You made me strong
You gave me strength to carry on

What does she look like?
Why was she so right?
That you gave your love to her
Baby, didn't I deserve

To hold you
Baby, to show you
That the love I have inside to give
Was enough for us

Don't you think I'll sit there crying over you
Baby, don't you take me for a fool no, no, no

I'll think of you along the way
I'll get over you I hope and pray
If I was not the one for you
Why did you choose me? to make me blue?

What does she look like?
Why was she so right?
That you gave your love to her
Baby, didn't I deserve
To hold you
Baby, to show you
That the love I have inside to give
Was enough for us

What does she look like?
Why was she so right?
That you gave your love to her
Baby, didn't I deserve
To hold you
Baby, to show you
That the love I have inside to give
Was enough for us to leave
