Last night I said too much but your still
Here so I'm doing something right.
So can I apologize?
Make this up to you somehow. {x2}

This time I, I made a mistake
I'm mad enough to admit
I wrong this time. With bloated
Eyes baby you look beautiful tonight.
(Together in my heart)

Have you learned anything about me?
You can see it in my eyes
Be better off alone
I'll get over this just
Give it time. You know I'll
Comeback to you, always
Comeback to you.

Been dieing to tell you I've been
Yours since day one.{x2}

This just makes the heart grow
Stronger. You'll never
Move me when I'm down.
(Push me when I'm down){x2}

With bloated
Eyes baby you look beautiful tonight.
Have you learned anything about me?
You can see it in my eyes
Be better off alone
I'll get over this just
Give it time. You know I'll
Comeback to you, always
Comeback to you back to you.
(GO!)

I hate it when this home
Becomes a heartache.
I hate it when this home
(With bloated eyes)

Becomes a heartache.
(Baby you look beautiful tonight.)

I hate it when this home
(With bloated eyes)
Becomes a heartache.
(Baby you look beautiful
Tonight comeback to you){x2}
I hate it when this home
(With bloated eyes)
Becomes a heartache.
(Baby you look beautiful tonight.)
