Who's who to blame
A girl like you with a guy like that
Oh, it's a shame
I love your frame,
Mediterranean skin with brightest blue eyes
Oh, it's insane

You're going crazy cause you can't find what you need
Come on baby let me getcha, getcha up to speed
It's time to party like it's midnight New Years' Eve
Oh, oh, nobody has to know

You're going crazy cause you can't find what you need
Come on baby let me getcha, getcha up to speed
It's time to party like it's midnight New Years' Eve
Oh, oh, nobody has to know

Later that night, I can see you with a friend
She ditched that guy
Now the time is right
I say 'I'm 'Mike and Honor Society is here and we'll rock
this party all night'
Ooh she said 'alright'
You're going crazy cause you can't find what you need
Come on baby let me getcha, getcha up to speed
It's time to party like it's midnight New Years' Eve
Oh, oh, nobody has to know

You're going crazy cause you can't find what you need
Come on baby let me getcha, getcha up to speed
It's time to party like it's midnight New Years' Eve
Oh, oh, nobody has to know

The night is still so young
And we're still having fun
Stay until the sun starts rising up
Forget all your cares
We can take it anywhere
And don't forget the after party

You're going crazy cause you can't find what you need

Come on baby let me getcha, getcha up to speed
It's time to party like it's midnight New Years' Eve
Oh, oh, nobody has to know

You're going crazy cause you can't find what you need
Come on baby let me getcha, getcha up to speed
It's time to party like it's midnight New Years' Eve
Oh, oh, nobody has to know
