Lights out darling, we can run away. Pretense only  
seems to get in the way. And we can learn this lesson,  
take this to heart. Replay these memories in my head.  
We forget time and time again to just let things fall into  
place or just fall apart. Let's keep this conversation  
open. Talk about the reasons you love me. Let's keep  
this conversation open. We wait and let life pass us by.  
It's too late watch our worlds collide. Tomorrow will  
bring forever or at least tonight. Let's keep this  
conversation open. Talk about the reasons you love me.  
Let's keep this conversation open. This night forever  
build hearts from stars in the sky. Haven't seen you in  
so long
