There is a time for everyone
Where they decide who they'll become
The leap of faith provides a heart
I know that I can go beyond

It's a long way up
But I fall this time

I'll sing for the broken-hearted
I'll sing for the dreams that won't come true
The music won't stop playing
Tonight I sing for you
I'll dream about the place we started
Hold onto the past we can't undo
The music kept on playing
Tonight I sing for you
Sing for you

Yeah, she kept goin'
I never thought that you're not alone
I won't be safe till I come home

Try and lift my heart
And my soul

I'll sing for the broken-hearted
I'll sing for the dreams that won't come true
The music won't stop playing
Tonight I sing for you
I'll dream about the place we started
Hold onto the past we can't undo
The music kept on playing
Tonight I sing for you

I'll sing for the ones who have fallen
I'll sing 'cause there's nothing left to lose
Cause I know that they're your dreams too
Sing it all for you
I'll dream about the place we started
Hold onto the past I can't undo
The music kept on playing

Tonight we sing for you

Woah oh Woah oh oh oh

Woah oh Woah oh oh

Woah oh Woah oh oh oh

Tonight we sing for you

Woah oh Woah oh oh oh

Woah oh Woah oh oh

Woah oh Woah oh oh oh

Tonight we sing

Tonight we sing
