You know shes ready,
You know shes gonna be on top of things
Maybe yours if you play it right
You know shes ready
You know shell drive you crazy
Give you one hell of a ride
You bet shes dangerous
No lack of confidence
Shes got the moves to groove with you all night long
Shes the main attraction sexified to blow your mind
Shell cause a chain reaction starting with a heart attack
The main attraction sexified to blow your mind
Shell cause a chain reaction and all the fellas in this
place
Cant even keep up with the pace of her tonight
Shes like the magic man
Only with better hands
Shell shake it up
Take it down
Make you wonder how its possible
With those curvaceous hips
Those deadly knock out lips
Calling out your name in the key of ecstasy
Sing it bright sing it loud sing about
giving it up to her glory and grace to the queen of the
late night scene
Underneath the sheets

Shes the main attraction sexified to blow your mind
Shell cause a chain reaction starting with a heart attack
The main attraction sexified to blow your mind
Shell cause a chain reaction and all the fellas in this
place
Cant even keep up with the pace of her tonight

Tonight I surrender my body tare through my defense
I find no reason to resist my relishing
And giving in to her temptation
And I will let her waves crash over me
And I can feel the tide washing me away
Washing me away as I come safely to her shore

Shes the main attraction sexified to blow your mind
Shell cause a chain reaction starting with a heart attack
Sexified to blow your mindâ€¦..
