Right now a baby draws a very first breath
Right now another is closer to death
Caught up and twisted in this life we try to stand before
we fall
Right then young love began with one comes a kiss
Right then an old man check the last off his list
Somewhere in the thick of this we try to find the
meaning of it all.

Am I real? If I touch somebody
How does it feel?
To touch somebody, touch somebody
Real
When you love somebody
How does it feel?
To touch somebody, touch somebody real

Right then temptation prove too much to resist
Right then a good man turn his hand to a fist
When the world bears down on us and fear beats faith
into the dust
We all find our backs against the wall.

Ohh, I need to know
Ohh

Am I real? If I hurt somebody
How does it feel?
To hurt somebody, hurt somebody
Real
When you love somebody
How does it feel?
To hurt somebody, hurt somebody real

Right now a young man questions all that he knows
Right now a young man feels so far but so close
He starts to wonder will there ever be another
He can show

Am I real? If I love somebody
How does it feel?

To love somebody, love somebody
Real
When you love somebody
How does it feel?
To love someone

Am I real? If I love somebody
How does it feel?
To love somebody, love somebody
Real
When you love somebody
How does it feel?
To love somebody, love somebody real.
