### "Magic"

*[Originally by The Cars]*

Summer it turns me upside down,  
Summer, summer, summer its like a marry go around  
I see you under the midnight  
Always sat like a rose  
High shoes with the cleats clickin'  
But then you let me go  
But then you let me go

I got a hold on you  
I got a hold on you  
I got a hold on you tonight

I got a hold on you  
I got a hold on you  
I got a hold on you  
..yeah

Uh oh  
It's Magic  
When im with you  
Uh oh  
It's Magic  
You know it's true  
I got a hold on you

So adjusted under sideways down  
I know your getting adjusted  
And you can't calm down  
I see you under the midnight  
Love torchs in your eyes  
How far can you take it  
Till' you realize  
Theres magic in your eyes

I got a hold on you  
I got a hold on you  
I got a hold on you tonight

I got a hold on you  
I got a hold on you  
I got a hold on you

Uh oh  
It's Magic  
When im with you  
Uh oh  
It's Magic  
You know it's true  
I got a hold on you

I got a hold on you  
I got a hold on you

Uh oh  
It's Magic  
When im with you  
Uh oh  
It's Magic  
You know it's true  
Just a little magic baby
