I'm having trouble to believe  
I was ever on your mind  
It's getting harder just to breathe  
Cause you left my heart on battle lines  
You played the game  
You called the shots  
You get what you want  
But it's not enough  
So I come to you with a broken heart  
So before I go I gotta let you know

You never did care enough about me anyway  
So I guess it'd be best if both of us if I didn't stay  
You never did care enough about me anyway  
Left my heart on the floor  
Now you know I gotta go my own way  
I can't stay  
My own way  
I can't stay  
My own way

It's getting harder to believe  
That you were ever on my mind  
It took a while for me to see  
Now I know that you were lying  
I played your games for long enough  
Took all the shots  
In the end you lost  
But you and me wasn't destiny  
From the start it wasn't meant to be

You never did care enough about me anyway

So I guess it'd be best if both of us if I didn't stay  
You never did care enough about me anyway  
Left my heart on the floor  
Now you know I gotta go my own way  
I can't stay  
My own way  
I can't stay  
My own way

I gave you everything but nothing's ever good enough  
I tried to be the one that you could call that you can  
trust  
But the games have all been played  
And there's nothing left to say  
So shut the door  
Cause you have all the stage  
You're welcome girl  
Don't call me back  
Because you know I'll keep going on  
And telling you I'm gone  
Telling you

You never did care enough about me anyway

So I guess it'd be best if both of us if I didn't stay  
You never did care enough about me anyway  
Left my heart on the floor  
Now you know I gotta go  
My own way  
I can't stay  
My own way  
I can't stay  
My own way
