There is a time for everyone  
Where they decide who they'll become  
The leap of faith provides a heart  
I know that I can go beyond

It's a long way up  
But I fall this time

I'll sing for the broken-hearted  
I'll sing for the dreams that won't come true  
The music won't stop playing  
Tonight I sing for you  
I'll dream about the place we started  
Hold onto the past we can't undo  
The music kept on playing  
Tonight I sing for you  
Sing for you

Yeah, she kept goin'  
I never thought that you're not alone  
I won't be safe till I come home

Try and lift my heart  
And my soul

I'll sing for the broken-hearted  
I'll sing for the dreams that won't come true  
The music won't stop playing  
Tonight I sing for you  
I'll dream about the place we started  
Hold onto the past we can't undo  
The music kept on playing  
Tonight I sing for you

I'll sing for the ones who have fallen  
I'll sing 'cause there's nothing left to lose  
Cause I know that they're your dreams too  
Sing it all for you  
I'll dream about the place we started  
Hold onto the past I can't undo  
The music kept on playing  
Tonight we sing for you

Woah oh Woah oh oh oh  
Woah oh Woah oh oh  
Woah oh Woah oh oh oh  
Tonight we sing for you  
Woah oh Woah oh oh oh  
Woah oh Woah oh oh  
Woah oh Woah oh oh oh  
Tonight we sing  
Tonight we sing
