Verse:

Snowflakes falling from the sky
Light a fire. And stayed inside
If I could I would stop time
Take a picture in my mind

Hook:

Cause everyday feels like a holiday with you
We shouldn't save the love until the year is almost
through
Cause one thing we can do

Chorus:

Spread the love, all year long.
Don't wait til December comes around
Cause everyone needs some love all year long
Don't wait til December comes
Don't wait til December comes

Verse:

A gift to give couldn't be more clear
Give the gift of love make it last all year

Hook:

Cause everyday feels like a holiday with you
We shouldn't save the love until the year is almost
through (Oh no)
Cause one thing we can do

Chorus:

Spread the love, all year long.
Don't wait til December comes around
Cause everyone needs some love all year long
Don't wait til December comes
Don't wait til December comes

Chorus:

Spread the love, all year long.
Don't wait til December comes around
Cause everyone needs some (everyone needs some
love)

love all year long
Don't wait til December comes (Don't wait, Don't wait)
Don't wait til December comes
