[Verse 1:]

No one else  
Will help us to get through  
So by ourselves  
We'll know just what to do

[Chorus:]

We are connected,  
We'll never be alone  
We walk together,  
Forever down that road

[Verse 2:]

You and I  
Will share all that we know  
So close your eyes  
And just let yourself go

[Chorus:]

We are connected,  
We'll never be alone  
We walk together,  
Forever down that road

[Bridge:]

And if you fall behind,  
And don't know what to do  
I promise I'll be waiting there for you...  
(for you)...

Follow me into a better day  
We'll be alright,  
No matter what they say

[Chorus:]

We are connected,  
We'll never be alone  
We walk together,  
Forever down that road

Road, road, road...
