Wonder what you'll take from me today,
suddenly you chucked my breath away.
It's hard to say,
impossible for me to tell,
while always walking on egg shells,
who you're going to be found dating today.
I wish that we could go back to how it was before,
but I don't think that I love you anymore, anymore.
Wonder why it is that you don't see,
how much you've changed since we first met and how
much that it's killing me.
Know that I will always miss,
the butterflies of our first kiss,
how you used to smile so easily.
I wish that we could go back to how it was before,
but I don't think that I love you anymore, anymore.
It's too hard to keep pretending,

it's too hard to ignore.
I don't think that I love you anymore, anymore.
I'm sorry, I'm sorry,
I never thought that it would come to this.
I know that we'll never get back to how it was before.
But I know that I don't love you anymore.
It's too hard to keep pretending,
it's too hard to ignore.
I know that that I don't love you anymore, anymore.
I'm sorry.
