### "Face The Music"

Through all we've watched you always take the path of  
least resistance.  
We've seen you searching for a way that you can cheat  
the system.  
You had us fooled but now the truth has finally been  
uncovered.  
We'll never look at you the same because we've all  
discoveredâ€¦

Take a look, t-t-take a look at what you've done.  
T-take a look, take a look.

Your game is over now,  
the ride is coming to an end.  
And it's time for you to face the music.  
What goes comes back around,  
you're gonna pay for what you did.  
'cause it's time for you to face the music

We watched you swear that everything we've heard is  
fabricated.  
You said the stories were all false or just exaggerated.  
But it turns out that you're the one who's making up the  
stories,  
keeping us in the dark while you bask in your own fame  
and glory.

Take a look, t-t-take a look at what you've done.  
T-take a look, take a look.

Your game is over now,  
the ride is coming to an end.  
And it's time for you to face the music.  
What goes comes back around,  
you're gonna pay for what you did.  
'cause it's time for you to face the music

Take a look, t-t-take a look at what you've done.  
T-take a look, take a look.  
Take a look, t-t-take a look at what you've done.

T-take a look, take a look.

Well, we've got news for you.

Your game is over now,  
the ride is coming to an end.  
And it's time for you to face the music.  
What goes comes back around,  
you're gonna pay for what you did.  
'cause your true colors have come through,  
now there's nothing you can do.  
It's time for you to face the music.

Take a look, t-t-take a look at what you've done.  
T-take a look, take a look.  
Take a look, t-t-take a look at what you've done.  
T-take a look, take a look.
