I only wanted you to feel,  
How I thought you deserved to feel.  
The way you always said you wanted to.

You wanted all we have to be real,  
And every word we say to be true.  
Still after all I gave it's not enough for you.

Well, I can't give any more,  
So now I'm giving up.  
'Cause nothing's ever good enough.

And the more I try to pour,  
The less I fill your cup.  
'Cause nothing's ever good enough.

I only wanted you to see,  
That you can be who you wanted to be.  
And fill the lonely void inside of you.

I gave you everything that you need,  
Did what you always wanted to do.

Still after all I've done I can't get through.

Well, I can't give any more,  
So now I'm giving up.  
'Cause nothing's ever good enough.

And the more I try to pour,  
The less I fill your cup.  
'Cause nothing's ever good enough.

Good enough!

I've wasted my time!  
Go find someone!

Good enough!

Well, I can't give any more,  
So now I'm giving up.

'Cause nothing's ever good enough.

And the more I try to pour,  
The less I fill your cup.  
'Cause nothing's ever good enough.

Enough, enough, enough!
