Just when I thought that I was better  
I realized that I don't know what better was  
Is it better than I used to be? Better for you or for me?  
Better hurry 'cause I need a better view of this

I don't know what it is  
What I might be coming down with

Don't know where I've been, don't know where to go  
Can't remember all the things that I need to know  
All I know is that if I think about it  
I'd still rather be me than maybe you

And I'm not getting any better  
'Cause every time I can't remember what it's for  
Is it better now than yesterday? Better than I am this  
way?  
Better not be so afraid, I bet I shouldn't say

'Cause I don't know what it is  
What I might be coming down with

Don't know where I've been, don't know where to go  
Can't remember all the things that I need to know  
All I know is that if I think about it  
I'd still rather be me than maybe  
I'd still rather be me than maybe you

'Cause I don't know what it is  
What I might be coming down with  
No, I don't know what it is  
What I might be coming down with

Don't know where I've been, don't know where to go  
Can't remember all the things that I need to know  
All I know is that if I think about it  
I'd still rather be me than maybe  
I'd still rather be me than maybe you  
Maybe you
