I wonder what you'll take from me today
Sanity or just my breath away
It's hard to say
Impossible for me to tell
We're always walking on egg shells
Who you're going to be from day to day to day

I wish that we would go back
To what we were before
But I don't think that I love you anymore, anymore

Wonder why it is that you don't see
What you've changed since we first met
And how much that it's killing me
Know that I will always miss
The butterflies of our first kiss
And how you use to smile so easily

I wish that we would go back
To what we were before
But I don't think that I love you anymore, anymore

It's too hard to keep pretending
It's too hard to ignore
But I don't think that I love you anymore, anymore

I'm sorry, I'm sorry
I never thought that it will come to this
I know I'll never get back
To how we were before
'Cause I know that I don't love you anymore

It's too hard to keep pretending
It's too hard to ignore
But I know that I don't love you anymore, anymore

I'm sorry
