I wanna live
I wanna leave
I wanna open up and breathe
I wanna go
I wanna be
I wanna feel it constantly
Gotta show
Gotta stay
I've gotta feeling that won't go away
I've gotta know
If they got away
My opportunities

Just one,
Chance is all I ever wanted
Just one,
Time I'd like to win the game
From now on,
I'd take the chance if I can have it
Just one, just one

I need to think
I need to feed
I need to see if I still bleed
I need a place
I need a time
Cause I need to step outside that line
Gonna give
Gonna take
I'm gonna scream till I'm awake
I'm gonna push
Gonna pull
Open up the door

Just one,

Chance is all I ever wanted
Just one,
Time I'd like to win the game
From now on,
I'd take the chance if I can have it
Just one, just one

And if I knew
When the door was open
I'd go through
I would go on through
And I can say
What I do never be the same
Never be the same

Just one,
Chance is all I ever wanted
Just one,
Time I'd like to win the game
From now on,
I'd take the chance if I can have it
Just one, just one

Just one,
I'd take the chance if I can have it
Just one,
I'd take the chance if I can have it
Just one,
I'd take the chance if I can have it
Just one, just one
