## "Let You Know"

I just thought that I'd let you know  
That although I'm far  
I'm close to you within  
And all the time spent by your side  
Is taken deep in me  
Held for me to keep  
To look upon when I'm feeling like  
Everything and one  
Is hurting me for something or other  
It takes me to a better place  
Nowhere I'd rather go  
Thought I'd let you know  
Who you are  
What you do  
Makes me burn to be in you  
Who you are  
And what you do  
I'm burning to be in you  
I just thought that I'd let you know  
Being near you is  
A gift I only wish I could treasure

But for now I'll sit and wait  
I'm still burning though  
Thought I'd let you know  
Who you are  
What you do  
Makes me burn to be in you  
Who you are  
What you do  
I'm burning to be in you  
Thought I'd let you know  
Feels like I'm falling  
I'm all on my own  
Thought I'd let you know  
It feels like I'm falling  
I'm all on my own  
Thought I'd let you know  
Who you are  
And what you do  
Makes me burn to be in you  
Who you are

And what you do  
I'm burning to be in you
