Loosing My Grip  
Hoobastank  
(The Scorpion King)

All the questions  
I went through  
I never told myself the truth  
I turned my back  
On you and me  
'Cause I was scared to see  
That we weren't  
Who we used to be  
So now I'm  
Trying hard to  
Let go, let you go  
But I can't seem to  
Loosen my grip  
Trying hard to  
Let go, let you go  
Let you go, go  
Feeling emptiness inside  
A part of me already died  
But I pretended to go on  
Like everything's ok  
And all we built began to fall  
As I began to lose it all  
Shut my eyes  
And set me free  
'Cause I was scared to see  
That we weren't  
Who we used to be  
So now I'm  
Trying hard to  
Let go, let you go  
But I can't seem to  
Loosen my grip  
Trying hard to  
Let go, let you go  
Let you go, go  
You're all that  
I ever wanted

You're everything  
That I need  
But now it's finally over  
Time for goodbyes  
I needed so now I'm  
Trying hard to  
Let go, let you go  
But I can't seem to  
Loosen my grip  
Trying hard to  
Let go, let you go  
Let you go, go
