I've become tired
Of Wasting my time
Thinkin' bout choices
That I've made
'cause i can't move forward
While looking behind
The only thing I can
Thing to do now is change my way
That I use to be
'cause now it's seems
Crystal clear to me

'cause you're so much more
Than a memory
'cause you're so much more
Than a memory

It wasn't fair
For me just to go
Act like I knew waht you've been though
'cause I wasn't there
And I'll never know
Couldn't see from
Your point of view
But I'm doing all I can
For you to see
That I understand
THat I understand

'cause you're so much more
Than a memory
'cause you're so much more
Than a memory
So don't close my door
On what still can be
'cause you're so much more
Than a memory

Please don't Go
'cause I've finally Know
That the past is gone
And I was wrong

And i was wrong

You're so much more
Than a memory
'cause you're so much more
Than a memory
So don't close the door
On still what can be
'cause you're so much more
Than a memory

Please don't go
'cause I've finally know
That the past is gone
And i was wrong

Please don't go
'cause i've finally know
That the past is gone
And I knew I was wrong
And I was wrong
