I love the way that you show me  
The way you show me you love me  
The way you always break me down  
Manipulate and control me  
Because you think that you owe me  
Like you're the one who wears the crown

Not a day goes by I can be without you  
But you're driving me insane

So tell me why can't I just let you go  
Damned if I do, damned if I don't  
I'm trapped in a no win, a no win situation  
I know that you're no good for me  
Poisonous but I can't leave  
I'm trapped in a no win, a no win situation

I hate the way I forgive you  
I wish that I could forget you  
But my addiction takes control  
I'm sick of making excuses  
For all your lies and abuses  
I'd be better off alone

Not a day goes by I can be without you  
But you're driving me insane

Why can't I just let you go  
Damned if I do, damned if I don't  
I'm trapped in a no win, a no win situation  
I know that you're no good for me  
Poisonous but I can't leave  
I'm trapped in a no win, a no win situation

Damned if I do  
Damned if I don't  
I can't let you go

Not a day goes by I can be without you  
But you're driving me insane

Why can't I just let you go

Damned if I do, damned if I don't  
I'm trapped in a no win, a no win situation  
I know that you're no good for me  
Poisonous but I can't leave  
I'm trapped in a no win, a no win situation
