*[1st verse:]*

There never seems to be  
Because what i believe  
A moment i'm not trying  
To show them who i am  
Why can't they understand  
The things that they're denying?

They're denying.....

*[chorus:]*

So what should i do  
Just lay next to you  
As though i'm unaffected  
And who should i be  
When they're judging me  
As though i'm unaffected?

*[2nd verse:]*

A chance they'd never give  
To ever want to live  
The life that i am made of  
There's nothing left to prove  
My heart's forever true  
What is it they're afraid of?

Afraid of.....

*[chorus:]*

So what should i do  
Just lay next to you  
As though i'm unaffected  
And who should i be  
When they're judging me  
As though i'm unaffected?

Before they even saw my face  
The knew that i was not the same  
And decided i was not the one for you

For you.....

So what should i do?  
I'm not unaffected  
And who should i be?  
I'm not unaffected

*[chorus:]*

So what should i do  
Just lay next to you  
As though i'm unaffected  
And who should i be  
When they're judging me  
As though i'm unaffected?

Unaffected...*[repeat 4 times]*
