"We Are One"

In your darkest hour
In your time of need
When all is lost around you
Beside you, is where ill be...

We are one, we are everyone I promise you are never
alone
We are one, we are eveyone I promise you i'll never let
go
We are one...

When your heart is empty
When the fire is dying
And there's nothing left to fight for
I'll be there, by your side

We are one, we are everyone I promise you are never
alone
We are one, we are eveyone I promise you i'll never let
go
We are one...

Together we laugh, together we cry
Together we fall, together we'll rise
Together forever, never goodbye and i'll tell you why

We are one, we are evryone...
