You are my sword
Your love is its own reward
My heart, I have found
Get's carved surely by the pound

God knows, I tried
Tried to hold you with all my might
But time has won
And I could never be that strong

(Don't cry)
I couldn't be that strong
(Don't cry)
That used to be my favorite song
(Don't cry)
Tears so bittersweet
(Don't cry)
Fill my eyes whenever we meet
It's always bittersweet

I cut and I bleed
You seem to find that so hard to believe
Well, that's just too, too bad
You could never touch the love that we had

(Don't cry)
For the love we had
(Don't cry)
Sometimes we try to take it back
(Don't cry)
Tears so bittersweet
(Don't cry)
Then kiss my cheeks whenever we meet
It's always bittersweet

(Don't Cry)
For a love gone wrong
(Don't cry)
That used to be my favorite song
(Don't cry)
Tears so bittersweet
(Don't cry)

Fill my eyes whenever we meet
Anyway

We've grown and times change
When we meet now it feels so strange
Well, I hold you like a sword
And you won't cut me, cut me like you did before

It's always bittersweet
It's always bittersweet
It's always bittersweet
Bittersweet
