Someone had to tell you  
Might as well it be me  
You've been fooling no one  
If you only could see  
Do you understand?

You've got quite a problem  
Lost your job you know why  
But you can't admit  
So full of it you might die  
Do you understand?

Just keep your head in the sand

Teenage alcoholic  
Grew too old to be fun  
Just another loser  
Ain't no use to no one

You can't understand  
Give yourself excuses  
Just as boozers all do  
Why invent a reason?  
No none sees it like you  
Do you understand?

You've got your head in the sand  
(Have another and another and another)

Everything is hopeless  
Drink to cope, it don't help  
What's it take to make you  
Wide awake to yourself ?

Your head's in the  
(Buried deep below)  
Your head's in the  
(You don't wanna know)

Your head's in the  
(You've got feet of clay)  
Your head's in the

(Drink your tears away)
