Baby, get off my cloud 'cos two's a crowd
Hey baby, get off the phone, there's nobody home
I'm gonna work it on out, I'm gonna Twist And Shout
I'm gonna Ride A White Swan and Get It On
Let's all turn on

Waiting for My Man, baby, Can The Can
I Wanna Hold Your Hand, remember Sam The Sham?

Baby, get off my cloud 'cos two's a crowd
Baby, get off the phone, there's nobody home

Who wears Short Shorts? We wear short shorts
That's what I like, that's what I like, that's what I like
