[Verse 1]

Independently beyond the line  
Of this rap game  
Most prominent nigga  
In this fuckin planet

I don't need to state ma name  
The streets kno it  
Shinin every damn place  
Everytime I step on it

Call the firemans  
Everytime this nigga rhymin  
Hot Like The Sun's Core  
Nigga stay grindin

Sometime I think it's sad  
Ma dreams so big I tend to fuck up  
God am sorry for the wrong things  
That I've ever ever done

I didn't mean to rob a house  
I didn't mean to rob you bruh  
I didn't mean to do that shit  
I didn't mean to be this way

Street nigga tryin to eat  
When I was age 12 ma  
Father took his own life  
Now who the fuck gon feed me?

Only God knows why  
Only God knows me  
Only God knows ma mind  
Only he may judge me

I don't give a fuck  
What you bitches think about me  
Success is on me  
I got goals and big dreams

[Chorus]  
I been out there Grindin  
You niggas cain't stop me  
Cuz I keep shinin  
Nigga don't try me

Cuz Im hot

Hot Like The Sun's Core

Hot Like The Sun's Core  
I ain't stoppin bruh

I been out there Grindin  
You niggas cain't stop me  
Cuz I keep shinin  
Nigga don't try me

Cuz Im Hot

Hot Like The Sun's Core  
Hot Like The Sun's Core  
Hot Like The Sun's Core  
Hot Like The Sun's Core

[Verse 2]

Started at the ground  
Now take a look at me now  
Hatters who hated on me  
Now tryin to apologize

I ain't never gave a fuck  
About what other niggas thought  
Always stayin on ma track  
And I ain't never lookin back

Open your eyes and realize  
What the fuck you gon do  
With your own life  
Don't worry bout mine

am a nuclear reaction  
In the music industry  
Ma flow so intense  
Exceptionally rare

Cain't nobody stop me  
Biggest star ever  
Try to touch me  
And you'll be gone for ever

Ma level so high  
Ma flow so bright  
Cain't nobody stop it  
You just cain't destroy light

Flow over 300 billion times better  
Trappin 24/7 Im a go getta

Fuck the top music charts  
Hit the top of the world  
Nigga trappin  
Uhma get paid by the word

[Chorus]

I been out there Grindin  
You niggas cain't stop me  
Cuz I keep shinin  
Nigga don't try me

Cuz Im hot

Hot Like The Sun's Core  
Hot Like The Sun's Core  
I ain't stoppin bruh

I been out there Grindin  
You niggas cain't stop me
