I've been trying for a long long time
But no matter what I do
When I turn to leave my heart stays behind
Cause I can't get over you
I keep movin on running hard and fast
But everywhere that I run to
I'm just standing still livin in the past
Cause I can't get over you
If memories were like the leaves that fall
The wind would have carried them from my mind
The seasons pass but they never change
A broken heart can't keep time

If memories were like the leaves that fall
The wind would have carried them from my mind
The seasons pass but they never change
A broken heart can't keep time
While I've watched as colors faded in the sun
The color of my love stays true
I've been letting go now and I'm not holding on
I just can't get over you
I just can't get over you
