I lose my blues, honey, when I'm with you  
No one else can do, you're in my heart to stay  
And when I'm gone and I'm all alone  
I'll be singing this song, I want to be with you always

I'd be happy, dear, if you could only be here  
And always be near, forever and a day  
Then we'll travel far to some big shining star  
Just you and my guitar and stay that sweethearts for  
always

I hope you feel the same, you really want my name  
You'll be the one who's to blame if it works out wrong  
that day  
'Cause my love is true, my love is only for you  
I'll never be blue if I can be with you always
