I've been throwing horseshoes  
Over my left shoulder  
It seems like all my life  
Been searching for that four-leafed clover

Yet you run with me  
Chasing all my rainbows  
Honey, I love you too  
That's the way love goes

That's the way love goes, babe  
That's the music God made  
For all the whole wide world to sing  
It never gets old, it only grows

Losing makes me sorry  
You say, "Don't you worry"  
Honey, I love you too  
That's the way love goes

That's the way love goes, babe  
That's the music God made  
For all the whole wide world to sing  
It never gets old, it only grows

Losing makes me sorry  
You say, "Don't you worry"  
Honey, I love you too  
That's the way love goes

Honey, I love you too  
That's the way love goes
