Why baby, why baby, why baby, why?
Well, tell me, why baby, why baby, why baby why?

Tell me why baby, why baby, why baby, why
You make me cry baby, cry baby, cry baby, cry?
I can't help but love you 'til the day that I die
Tell me, why baby, why baby, why baby, why?

Well, I got a crow I wanna pick with you
Just like last time when the feathers flew
You're running wild, kicking up your heels
Leaving me home with a hand full of bills

Lord, I can't live without you and you know it's true
But ain't no living with you so what'll I do?
I'm going honky tonking, get as tight as I can
And maybe by then you'll 'preciate a good man

Yeah, tell me why baby, why baby, why baby, why
You make me cry baby, cry baby, cry baby, cry?
I can't help but love you 'til the day that I die
Tell me, why baby, why baby, why baby, why?

Well, now I don't know but I've heard say
Every little doggie gonna have his day
You'd better pay attention, don't you dare forget
'Cause I'm just a little bitty puppy yet

I caught you honky tonking with my best friend
The thing to do was leave you and I should'a left then
Now I'm too old to leave you but I still get sore
When I hear you come a-feeling for the knob on the
door

Well, tell me why baby, why baby, why baby, why
You make me cry baby, cry baby, cry baby, cry?
I can't help but love you 'til the day that I die
Tell me, why baby, why baby, why baby, why?

Well, yeah, tell me, why baby, why baby, why baby,
why?
