Society made me what I am
That's bullshit
You're a white suburban punk just like me

I'm so sick, you fucking pigs
Putting strains on my life
Spreading all your fucking threats
Just a bunch of fucking lies

You're just a fucking cop
No better than me
You're my fucking enemy

Blow off your fucking head
A kick to the face
You're a pussy with a badge
You fill me with hate

Blow off your fucking head
A kick to the face
You're just a pussy ass cop

I'm so sick, you fucking pigs
Putting strains on my life
Spreading all your fucking threats
Just a bunch of fucking lies

You're just a fucking cop
No better than me
You're my fucking enemy

Blow off your fucking head
A kick to the face
You're a pussy with a badge
You fill me with hate

Blow off your fucking head
A kick to the face
You're just a pussy ass cop
