Well, hey hey  
When I first came to town, people  
I was walking down Hastings Street  
I heard everybody talking about  
Henry's Swing Club  
I dropped in there that night  
I did the boogie  
I did the boogie, boogie  
I did the boogie  
Yeah, hey hey  
One night I was laying down  
Well I heard,  
My mama and papa talking  
About the boogie.  
Do you wanna boogie  
Do you wanna boogie  
Do the boogie now  
Hey hey hey hey  
I'm gonna tell you something  
One night when I was laying down  
I heard, I heard, I heard..  
Do the boogie...  
Feel good, feel good, feel good, feel good...  
Feel.. feel.. feel.. feel.. feel..  
Thank you...
