The best thing in life is free,  
but you can give it to the birds an' bees  
I need some money, need some money  
Oh, yeah, what I want  
Your love gimme such a thrill,  
but your lovin' don' t pay my bills  
I need some money, need some money  
Oh, yeah, what I want  
I need some money, honey  
I need some money right away  
I need some money bad  
I need some money  
Oh, yeah, what I want  
Money don't get ever'thing it's true  
But what it don't buy, daddy, I can't use

I need money, I need money, yeah  
What I want  
(spoken:  
I need some money, honey  
I need some money so bad  
All o' my bills behind  
I need some money right now  
I know your love is good, baby)  
I need some money, oh yeah  
What I want  
What I want
