After the turn of the century
In the clear blue skys over Germany
Came a roar and a thunder man has never heard
like the screaming sound of a big war bird.

Up in the sky, a man in a plane
Baron Von Richthofen was his name
eight-y men tried and eight-y men died
now where buried together on the country side.

Chorus.....

Ten, Twenty, thirty, forty, fifty or more
the bloody Red Baron was running up the score
Eight-y men died trying to end that spree
of the Bloody Red Baron from Germany.

In the nick of time, a hero arose
a funny looking dog with a big black nose

he flew into the sky to seek revenge
but the Baron shot him down
...curses foiled again.....

(Chorus)

Snoopy swore that he'd get that man
so he asked the Great Pumpkin for a new battle plan
He challenged the German to a real dog fight
and while the German was laughing he got him in his
sights.

The bloody Red Baron was in a fix
he tried everything but he run out of tricks
Snoopy fired once and he fired twice
and the Bloody Red Baron went spin-nin out of sight.
(chorus)
