"And We Danced"

She was a be-bop baby on a hard day's night.
She was hangin' on Johnny
he was holdin' on tight.

Oh

I could feel her coming from a mile away.
There was no use talking
there was nothing to say
When the band began to play and play -

And we danced
like a wave on the ocean
romanced.
We were liars in love and we danced

Swept away for a moment by chance.
And we danced and danced and danced.

I met my be-bop baby at the Union hall.
She could dance all night and shake the paint off the
wall.
But when I saw her smile across a crowded room

Well
I knew we have to leave the party soon.
As the band began to play out of tune -
And we danced
like a wave on the ocean
romanced. . . .
And we danced -

The endless beat
she's walkin' my way

Hear the music fade when she says:
Are we getting too close
do we care to get closer?
The room is spinning as she whispers my name.

And we danced
like a wave on the ocean
romanced. . . .
And we danced

like a wave on the ocean
romanced. . . .
And danced and danced and danced and danced and
danced -
And we danced
and we danced
and we danced
and we danced

And danced and danced and danced and danced and
danced -
