Zig zag shadows on the floor  
From the window to the door  
Never felt like this before

Zig zag, connecting me to you  
After all that we've been through  
If it was love I never knew

But, oh, how I needed you tonight  
And, no, I ain't looking for your sympathy  
I just can't take living like some refugee  
Oh, oh, oh, deliver me

Zig zag, look upon my face  
To another time, another place  
Another world in any case

Zig zag painting on the wall  
Andy Worehall I recall  
You and me and that was all

And, oh, how I needed you tonight  
And, no, I ain't looking for your sympathy  
I just can't take living like some refugee  
Oh, oh, oh, deliver me

Oh, oh, oh, deliver me  
Oh, oh, oh, deliver me  
Oh, oh, oh, deliver me  
Oh, oh, oh, deliver me

Zig zag patterns of our days  
Like a straight line through a maze  
Love it comes but never stays

Zig zag, deliver me to you  
After all that we've been through  
I didn't know how much I knew

And, oh, how I needed you tonight  
No, but I ain't looking for your sympathy  
I just can't take living like some refugee

Oh, oh, oh, deliver me

Oh, oh, oh, deliver me

Oh, oh, oh, deliver me

Oh, oh, oh, deliver me

Oh, oh, oh, deliver me

I just can't take living like some refugee

Oh, oh, oh, deliver me

Deliver me
