It's a sleepless night
she's calling your name

It's a lonely ride
I know how you want her.
Again and again you're chasin' a dream
yeah

But Johnny my friend
she's not what she seems.

Johnny B.
how much there is to see

Just open your eyes and listen to me.
Straight ahead
a green light turns to red

Oh
why can't you see
oh
Johnny B.?

And when you drive her home
is she sittin' real close?
Does she make you weak?
Well
that's the way that she wants you.
You're strung out again

she's taken you over

You've been here before
why can't you let go?

Johnny B.
how much there is to see

...

And when she calls you name
my sweet Johnny B.

you can drive all night and you know she'll be waiting

To love you again
her kiss is her poison

Forever inside you
wherever you go.

Johnny B.
how much there is to see

...

Johnny B.
how much there is to see

...

Oh
can't you see
oh
Johnny B.?
Oh
can't you see?
